### The Israel Summit

The Israel Summit is an exclusive philanthropic forum, modeled after Venture Capital Investment Conferences, for major philanthropists and foundations to showcase the innovative work and financial needs of 11 of the most impactful international organizations in the areas of media, key constituencies and the university experience.

### The Center for Entrepreneurial Jewish Philanthropy

CEJP's mission is to help create a Jewish philanthropic paradigm fully aligned with the investment and impact-driven philosophy of major philanthropists to ensure the strength and vitality of the Jewish community and Israel.

CEJP has facilitated over \$96 million in new Jewish and Israel giving to 100 organizations, including \$17.2 million in matching funds from partners and the Israeli government.
