PROVIDING CRITICAL PERSONAL PROTECTIVE EQUIPMENT (PPE) FOR JEWISH HEALTHCARE PROVIDERS AND INSTITUTIONS RESPONSE PLAN

Updated April 16th, 2020
This project is focusing on our societies most vulnerable - nursing home residents, isolated elderly, nursing and rehabilitation homes, Holocaust survivors and persons with disabilities.

We are currently procuring supplies for over 140 organizations across North America and Canada.
AJAS (Association of Jewish Aging Services) is a unique association of not-for-profit community-based organizations, rooted in Jewish values, which promotes and supports the delivery of services to an aging population served by over 90 organizations.

NJHSA (Network of Jewish Human Service Agencies) was formed in May 2017 when the two leading Jewish services associations — the Association of Jewish Family and Children’s Agencies (AJFCA) and the International Association of Jewish Vocational Services (IAJVS) — joined forces.

The Network is an international membership association of more than 140 non profit human service agencies in the United States, Canada and Israel. Its members provide a full range of human services for the Jewish community and beyond.
CHALLENGES

Due to the on-going pandemic, the cost of needed protective gear dramatically increased and agencies are facing extreme delays in receiving the necessary protective equipment.

- CURRENT INFLATED COSTS OF PROTECTIVE EQUIPMENT
- URGENT ACCESS TO PURCHASING SMALLER QUANTITIES
- DELAY IN ORDERING, SHIPPING & RECEIVING EQUIPMENT
Mark-up as a result of COVID-19 and the cost paid for the equipment as of 4/16/20:

3.8x
= $2 PER KN95 AND $3 PER N95

10x
= $4.60 PER GOWN

2x
= $.13 PER PAIR

TOTAL MEDICAL SUPPLIES ORDERED AS OF 4/16/20

$3,807,785

THE DISTRIBUTION

All distribution is currently being processed through a central Texas facility, coordinated by Chain Link Services.

JNFA Treasurer Harold Gernsbacher personally provided the financial guarantee and fronted the entire order for the coalition of agencies.

Agencies have processed exact order forms and received itemized invoices. Jewish Funders Network (JFN) is acting as a fiscal aggregator, helping direct charitable funds to support and subsidize this humanitarian effort.
OUR PARTNERS IN FINDING SOLUTIONS

The Jewish Funders Network (JFN)
JFN agreed to serve as an aggregator of charitable donations for this purpose and will distribute funds as necessary.

The Jewish Federations of North America (JFNA)
JFNA leveraged support and donor networks to determine a suitable distribution network through Chain Link Services, as well as providing crucial legal and regulatory support, additional outreach and insights.

North American Volunteer Network
Driven by AEPi and KAHAL who have thousands of brothers and alum across NA ready to be activated to help support the goods distribution from air and trucking points in major cities across North America to the local agencies.
RESPONSE PLAN TEAM MEMBERS

ALEX JAKUBOWSKI, EXECUTIVE DIRECTOR OF KAHAL ABROAD

HAROLD GERNSBACHER, JFNA TREASURER / FORMER PRINCIPAL OF CHAIN LINK SERVICES

DON SHULMAN, PRESIDENT / CEO OF AJAS

REUBEN ROTMAN, PRESIDENT/CEO OF NETWORK OF JEWISH HUMAN SERVICE AGENCIES

MARR GURVIS, EXECUTIVE VP OF THE JEWISH FEDERATIONS NORTH AMERICA

ELIZABETH CULLEN, COUNSEL FOR HEALTH POLICY OF THE JEWISH FEDERATIONS OF NORTH AMERICA

DEENA FUCHS, EXECUTIVE VP OF JEWISH FUNDERS NETWORK

SHALOM ELCOTT, ADVISOR FOR SAMUELI FOUNDATION.

JAY FELDMAN, MANAGING DIRECTOR OF ALPHA EPSILON PI

JESSICA SCHAPIRO, KAHAL ABROAD BOARD MEMBER

JORDAN ELCOTT, PROJECT MANAGER OF INDEX, LLC. AND BROTHER AT ALPHA EPSILON PI, UC IRVINE

JOSEPH KLEID, BROTHER AT ALPHA EPSILON PI, SFSU

ADAM TANKUS, BROTHER AT ALPHA EPSILON PI, UNIVERSITY OF GUELPH

*In Formation*
FUNDING OPPORTUNITIES

A. Helping agencies cover the difference in cost between what is "standard cost" (before COVID-19) and the price of the goods today. We are looking for donors to help us pay approximately $2.18 million to ensure the agencies do not have to carry this enormous unexpected financial burden alone.

B. Opportunity to support the total funding needs facing a specific high impact State, City, or Community.

C. To provide funding to help us ensure safe and secure shipping from production to distribution for all of the equipment. We need to raise $150,000 for our air freight costs.
As seen above, our first shipment of gloves arrived to Texas and are currently in transit to their final destinations thanks to the great work of Chain Link Services.

The first shipment of masks is en route by air, arriving this Thursday (4/9/20).

First shipment of gowns arrive today (4/8/20) and will ship immediately.

We're currently processing second wave order of supplies in excess of $1 million.
Value of Medical Supplies Required in States/Provinces Across North America

Logarithmic Bill by State (USD)

2,900 | 5,721
Quickly help get life-saving supplies like masks, gloves, and gowns to frontline responders in our Jewish health and social service agencies. Join a nationwide effort using philanthropic dollars and private sector expertise.

If you want to make a contribution towards this effort, please reach out to Deena Fuchs by email: deena@jfunders.org
"Our biggest Jewish communities are the most vulnerable right now. This rapid response initiative came to fruition because we came together as one, creating a coordinated distribution network and leveraging our collective purchasing power to procure critically needed supplies. This effort is a great example of how small Jewish communities throughout the country joined forces with larger communities to face this unprecedented crisis together."
