## Paper Mache Bowls

**Description** These colorful creations are the perfect project to keep busybodies engaged, combining sensory and art! Join us for a JHCM teacher-led video on Instagram or Facebook this Tuesday at 11 am for step-by-step instructions. These vibrant bowls are something you'll want to adorn your house with!

(Note: These bowls will take 24 hours to dry before you are able to paint them)

### **Materials Needed:**

- flour (1cup)
- water (enough to smooth paste to resemble pancake batter)
- salt (few tsp top event mold)
- whisk
- drop cloth
- a bowl to use as a "form"
- plastic wrap & tape
- newspaper (paper bags & construction paper will work too cut into strips)
- paintbrush
- acrylic craft paint (or tempera)
- craft varnish or mod podge (substitute 1 cup of glue & 1/3 cup of water mixed)
