JILL STEIN FOR PRESIDENT

# ***It's In Our Hands!***

People across America are standing up against a failed and broken system. And we can give them a political home. A movement to get the big money out of politics, and put the people back in. A movement for real democracy and real solutions.

An incredible 58% of Americans want a new major party. A strong Green campaign will give voice to this rising majority and empower a new generation that knows there's no future in politics-as-usual.

This Democracy needs more than your vote. It needs the power in your hands to reject lesser evil and to rise up for greater good!

***"The power  
to create  
this world  
is not in  
our hopes.  
It's not in  
our dreams.  
It's in our  
hands!"***
