

August 2019

Dear Friend/Supporter:

As the summer winds down, we are shifting into high gear for the final months of my bid for re-election to the Huntington Town Board on **Election Day, Tuesday, November 5, 2019.**

First and foremost, I want to thank you, my friends and neighbors, for standing with me over the past year and a half. You have given your time, opened your homes and wallets and pushed me forward with inspiring words of encouragement. Your generosity has touched my heart and I will continue to work tirelessly to earn the trust you have placed in me.

As you probably realize, this is my second campaign for the Huntington Town Board in two years!

My election last November allowed me to fill out the final year of an expiring term. Now, I am running for a full, four-year term in office.

The most difficult aspect of seeking election to the same job, two years in a row, has been the need to ask for your help in financing my campaign. As you consider contributing this time around, remember that I never take that support for granted. Your contributions are vital to my efforts to keep government spending in check, protect our drinking water and our waterfront and to being an independent voice for all in Huntington.

We have priced my Oktoberfest event at \$100 per person, but if you are inspired to give more, I promise my Treasurer will not say no! Thanks again for your help in this important campaign! Serving the people of Huntington has truly been the highlight of my 35-year public/private sector career and I look forward to continuing that important work.

I hope you can join me on **Tuesday, September 24<sup>th</sup> at Pumpnickels.** Let's Do This!

Sincerely,
