New Boundaries for the Greenslopes Electorate

Member for Greenslopes, Mr Joe Kelly, is excited to welcome new community members to his electorate following the Queensland Redistribution Commission's announcement of new draft boundaries for electorates across Queensland.

For the electorate of Greenslopes, these changes will see the addition of the remaining areas of Coorparoo and Greenslopes, as well as the loss of areas of Mt Gravatt East to the Mansfield electorate.

"I am excited to be able to represent all of my electorate, and am enthusiastic to represent the new areas of Greenslopes and Coorparoo into the future," said Mr Kelly.

"It is sad to lose Mt Gravatt East, but I will proudly continue to serve this area until the election."

"I have been working hard to build our local community and fight for local services, and will continue to do so for all electors in the Greenslopes electorate."

Mr Kelly encourages all members of the local community to have their say on the proposed boundaries, which can be done via online submission, post or email until Monday 27th March.
