

Dan y cynlluniau presennol mi fydd hofrennydd Heddlu Dyfed Powys yn cael ei derfynu ar Ionawr 1af 2016.

Rydym o'r farn bod yr hofrennydd heddlu wedi chwarae rôl ganolog yn diogelu ein cymunedau ac achub bywydau, mae rhaid ei amddiffyn rhag toriadau cyllideb a chanoli.

Rydym yn galw ar yr Ysgrifennydd Cartref i ymyrryd a diogelu ein hofrennydd Heddlu ymroddgar er mwyn iddo barhau i wasanaethu ein cymunedau ac achub bywydau.

Under current plans the Dyfed Powys Police helicopter will be scrapped on the 1st January 2016.

We believe that our police helicopter has played a pivotal role in protecting our communities and saving lives, and must be protected from budget cuts and centralisation.

We call upon the Home Secretary to intervene and protect our dedicated Police helicopter so it can continue to serve our communities and save lives.
