

# Dealing with Sovereign Debt Distress

Debt Relief and Financial Investments  
Toward a Sustainable Future

**APRIL 12, 2019 2:00-3:30 PM**  
**BUILDING I 2 ROOM 220**

## Speakers:

Moderator:

Eric LeCompte, Jubilee USA Network

Panelists:

Fanwell Kenala Bokosi, AFRODAD

Mark Flanagan, IMF Debt Policy Division

Patricia Miranda, Latindadd

New debt case studies and analysis for Latin America, Africa and the Caribbean will be presented during this panel. Debt and finance experts will discuss current debt crises and debt distress facing countries. Causes, prevention measures and solutions will be debated. In light of new debt reports, this panel will review policies including: debt restructuring, debt sustainability, tax and transparency, trade agreements and responsible borrowing and lending.
