Less Is More: Community Supervision Revocation Reform Act (S.1343B – Benjamin / A.5493A – Mosley)

“It can be stressful just having a violation as a lingering thought, even though I have been successful while on parole.”

—Ekeythia Dunston, 2019

Queens, NY resident, Ekeythia Dunston, was incarcerated for 7 years, and paroled on July 5th, 2018. Since her release, she lives in constant fear of being violated on parole. “It can be stressful just having that lingering thought, even though I have been successful while on parole.”

She is currently working for change within the judicial system because she feels that it is extremely flawed and that change is necessary. “Everyone deserves a quality of life, whether you are from anywhere from Park Avenue to Park Bench.”

About the #LessIsMoreNY Campaign

#LessIsMoreNY is a statewide coalition of community groups, service providers, and public safety experts working together to pass the *Less Is More Act* to reduce jail and prison populations; support people who are subject to community supervision in the reentry process; promote safety and justice for families and communities; and save taxpayers money. We call on the Governor and Legislature to pass the bill, capture the savings that will result from reform, and reinvest those savings back into the communities most harmed by mass incarceration and crime.
