Less Is More: Community Supervision Revocation Reform Act (S.1343B – Benjamin / A.5493A – Mosley)

“Being on parole traumatized me, still traumatized to this day... that ain’t no lie. It’s deepened my trust issues, [I don’t] trust in the system or the people within it.”
—Nancy Sicardo, 2019

55-year-old Lower East Side, NY resident, Nancy Sicardo, was incarcerated for 7 years, and paroled in 1997 for 3 years. During her time being on parole supervision she was violated once on a technical violation, in which she was sent to Taconic Correctional Facility for 3 months before her release back onto parole.

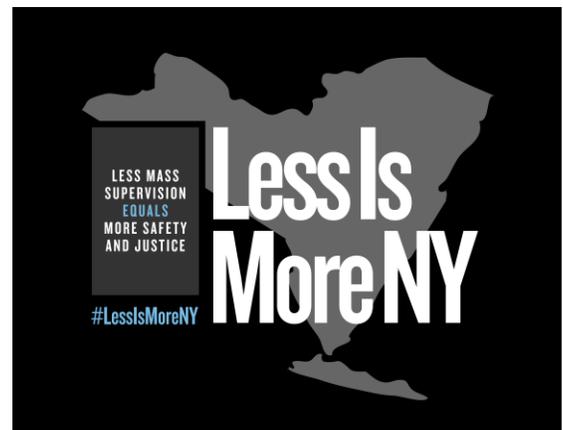

“Being on parole traumatized me, I’m still traumatized to this day... that ain’t no lie. It’s deepened my trust issues, [I don’t] trust in the system or the people within it.”

Currently Nancy works within her community and as a Katal member to decarcerate the jails and prisons in New York State. This work is important to her because when she was inside, she did not have the support she has now.

“When I spoke my truth while I was incarcerated, nobody listened. Now I can speak my truth and give back to my community. My truth will set many more Nancy’s free.”

About the #LessIsMoreNY Campaign

#LessIsMoreNY is a statewide coalition of community groups, service providers, and public safety experts working together to pass the *Less Is More Act* to reduce jail and prison populations; support people who are subject to community supervision in the reentry process; promote safety and justice for families and communities; and save taxpayers money. We call on the Governor and Legislature to pass the bill, capture the savings that will result from reform, and reinvest those savings back into the communities most harmed by mass incarceration and crime.
