

Target Autism

2016 Sporting Clay Tournament

Sponsor and Partner Opportunities To benefit the Kansas City Autism Training Center

The Fifth Annual Target Autism Sporting Clay Tournament is a unique event that reaches out to sport shooting enthusiasts. Our goal is to:

- 1) Raise much needed funds for KcATC scholarships
- 2) Elevate awareness about the center and autism
- 3) Teach participants about autism and successful treatment

The sporting clay tournament is an afternoon competitive shoot with four to six shooters on a team. An after hours party for all participants is held at the end of the day and features complimentary food and drinks, awards ceremony, and prizes.
