COMMUNITY - LED

ACTION DAY

This workshop is for local families and everyone who wants to work together to make life better for children and young people in our suburbs.

You can help by sharing your ideas so that WE AS A COMMUNITY can turn them into action.

This workshop is part of a 90 Day Challenge
30 days of listening to ideas, 60 days of action!

The workshop is being coordinated by the **Sanderson Alliance**, a collective of people from families, community services, schools, universities, businesses, philanthropists and government.

All of us are working together for the well being of our children.

Please come along / everyone welcome / RSVP BY 22nd APRIL
