

At the Los Angeles Black Worker Center, we are breaking the chains of perpetual injustice by combatting the harms of labor discrimination. With your contributions, Black workers have organized for life saving jobs, and throughout the pandemic, have supported testing for our most vulnerable communities, provided over 1000 families with food, and worked to pass historic policy measures. So this #GivingTuesday, donate to—and become a member of—California’s first Black labor organization!

THE LABWC #GIVING TUESDAY TAKEOVER

**ALL DAY TUESDAY
DECEMBER 1ST**

**FIGHT FOR
BLACK LIFE**

**DEMAND
JUSTICE**
