

## The One Borough Fund

Much of our local campaigning is funded by Labour supporters who have been donating money by Standing Orders. In Autumn 2012, we launched the 'One Borough Fund' to provide a means by which more members can help fund our campaigns for the 2014 elections and beyond. Donations to the One Borough Fund will only be spent to support local campaigning to elect Labour representatives in our Borough – your money will not end up with the national party to go towards any salaries of local staff. A Standing Order is the most valuable way you can contribute to our campaigns' finances, because it provides a reliable, steady form of income enabling us to plan more effectively.

In compliance with party funding laws, if I am donating more than £500, I understand that my details will be checked to ensure I am registered on the electoral register (this applies to overseas residents as well as UK residents). If I donate more than £1,000 to the LB Ealing Labour Party or more than £5,000 to the Labour Party nationally in the course of a calendar year, I understand that my name and the amount of the donation will be reported to the Electoral Commission for publication on their public register of donations to the Labour Party.
