DECLARATIONS

1. I will declare to the interviewing panel any matters in my political or personal record which, if revealed, could publicly embarrass the Labour Party or affect public confidence in my position as a representative.
2. I have read and understood the documents provided with this form concerning the statutory and party requirements on the registration and declaration of interests and [the local code of conduct adopted by the Borough](#). I agree to be bound by the requirements set out in these documents once elected. I have completed a statement of my interests and this is attached.
3. I have read the "[Qualifications and disqualifications for being a Labour councillor/candidate](#)" and know of no legal reason or party rule which would prevent me from being a Labour candidate or elected as a councillor in the 2018 local elections. I understand that the Labour Party's code of conduct requires me to declare membership of allegedly secret organisations such as the Freemasons, Knights of St Columba etc.
4. As a potential candidate in the local government elections for LB Ealing in 2018, I authorise the Council's Chief Executive to provide any information about my current dealings or standings with the Council, which may include financial records as he considers appropriate, to the Chief Whip of the Labour group, whether or not the provision of such information would otherwise be exempt from disclosure under the provision of the Data Protection Act 1998 or any other relevant legislation.
5. **I declare that I will sign and keep to the terms of the LB Ealing [Candidate and Councillor Contract](#) as agreed between myself, the Local Campaign Forum and the Labour Group of Councillors**
6. I declare that on becoming elected as a Councillor, I shall ensure that my Labour Party membership subscription is paid by direct debit at the standard rate.
7. I declare that, in the event that I am not appointed to the panel of approved local government candidates or in the event that I am not selected as a candidate by the Labour Party, I will not seek or allow myself to be nominated as a candidate nor support the nomination of any other candidate in any election contested by an official Labour Party candidate.
8. I accept nomination, as set out above, and agree to accept the provisions relating to selection and candidature set out in the party's rules. If elected, I agree to join the Labour group on LB Ealing and abide by its standing orders and the provisions of the national rules of the Labour Party, and join the Association of Labour Councillors.

**APPENDIX B Labour Party - Local Government - Registration and declaration of interests
2015/16**

I recognise that the Labour Party expects and requires its representatives to uphold the highest standards of integrity and probity in public life.

I have completed and kept up-to-date the statutory register of interests held by the council and will ensure that it is amended promptly if my interests change.

I am familiar with the local Code of Conduct adopted by this council and agree to be bound by it in all my actions. I have undertaken training in implementing the Code, or will do so when it is offered.

I enclose my entry for the Labour group's register of interests, which I confirm is an accurate record. I will ensure that it is amended promptly if my interests change. I recognise that the Labour Party's requirements for registration of interests may go beyond those required for the statutory register.

I recognise that the onus is upon me to register and declare interests with the council and to take the appropriate action. I am familiar with the concepts of personal and prejudicial interests as defined in the Code of Conduct and how I should act in each case.

I recognise that I am obliged to have regard to any relevant advice from the authority's chief finance officer or monitoring officer about my ability to participate in taking any decisions. I will seek that advice where necessary, and also undertake to seek and take account of advice from the chief whip or other Labour advisers nationally or regionally if I am in doubt about my role in decisions.
