Dear Sharon,

Re: Planning Application 17/02085/MW4 at Hillthorn Farm, Washington

I refer to your letter dated 13 December 2018 regarding the proposed energy from waste facility at Hillthorn Farm. In response to the query raised I wish to advise that, to date, the Local Planning Authority is not in a position to advise when the abovementioned planning application will be presented before the relevant planning committee for consideration and determination.

In this regard, should anyone wish to track the progress of this application then they are strongly advised to register on planning public access to receive electronic alerts / updates.

I trust that the above answers your query and proves to be of use.

Yours sincerely

Peter McIntyre
Executive Director of Economy and Place
