## A message from Alan

With Parliament now in recess for the summer it is a good opportunity to reflect on what has been a hectic few months.

Not particularly hectic in the Commons however where the government, afraid of losing a vote, has not brought any real business to the Commons since it's deal with the DUP. Let's hope the summer break gives them a chance to bring a real programme of business in the Autumn.

Back in Tynemouth, I'm looking forward to a busy summer, due to the many community events taking place across the constituency.

As ever, if there's an event or group you would like me to visit, or if you have a problem or issue you would like to discuss with me, please do not hesitate to get in touch using the details below.

Enjoy the summer!

Best wishes

## OPENING OF MARDEN HIGH SCHOOL

I was pleased to join Elected Mayor Norma Redfearn and Cullercoats Councillor David McMeekan at the opening of the new Marden High School.

The new school is a fantastic facility and will ensure local young people receive truly excellent education in fantastic, modern, fit for purpose buildings. Well done to Norma Redfearn for helping to secure the funding for the new school.
