

FOR THE MANY NOT THE FEW

Labour has a plan for a fairer country

Where the wealthiest and highest earners
pay a little more tax

So things like the NHS, social care, housing
and education get the investment they need

A Labour government would:

- ✓ Create 100,000 homes in low-rent social housing
- ✓ Cap your energy bills
- ✓ Provide more free childcare & maternity leave
- ✓ Invest in education and training for all ages
- ✓ Scrap University tuition fees
- ✓ Tackle air pollution
- ✓ Ban zero hours contracts and unpaid internships

Labour is already working hard to make Bristol South better for the many.

Your Labour MP, councillors and members are:

- ✓ Speaking out against Tory cuts to Bristol
- ✓ Helping young people find apprenticeships and jobs
- ✓ Challenging cuts to the NHS and local pharmacies
- ✓ Helping people get financial support
- ✓ Creating new affordable homes
