POLLS OPEN 7AM - 10PM

## Belinda will...

- 1 Listen to you, reinstating regular advice surgeries**
- 2 Fight to protect public services**
- 3 Stand up for our community and stop the increasing neglect of our town's character**
- 4 Be an independent voice, standing up to the Tories. Always voting in your interest**

### Only Labour can stand up to the Tories

Voting for the Liberal Democrats will change nothing in the Council Chamber. Only electing another Labour Councillor will create change in Welwyn Hatfield.

#### Number of councillors on the Borough Council

## Neighbours,

On Thursday you have a choice; business as usual with the Conservatives and Liberal Democrats, or a chance to change how things are done not only in Handside, but across Welwyn Hatfield.

Voting Conservative or Liberal Democrat will make no difference - you deserve a Councillor who will hold the Conservative Council to account. Electing me as the seventeenth Labour Councillor is the only way you'll loosen the Conservative grip on key decision making committees.

It's been really great getting out into the community and speaking to you about the issues that matter to you. On the doorstep you've been telling me how fed-up you are with the lack of action from this Tory Council - and I could not agree more.

I will focus on you and the issues I know matter to people in Handside. There is much to be done to protect and improve our home, with your support.

**I'm excited to work hard for you.**
