

Councillor  
**HELEN BECKETT**  
Standing up for Peartree

@Helen.Beckett@welhat.gov.uk 01707 320 112

Dear Neighbours,

I will be up for election again in May after an eventful two years as one of your Borough Councillors. It has been an interesting, enjoyable and extremely busy couple of years during which I've been fully committed to the role.

**My Commitment to Residents:**

Whenever anyone has contacted me I have done my utmost to help whether the query has been about bins, trees, housing, litter, cycling, grass verges or anything else. I cannot claim a 100% success rate; sometimes I have to refer residents on to others who are more in a position to help be it Grant Shapps MP, Citizens Advice etc, but I've always done whatever I could for you.

The feedback I have received shows how much residents have appreciated my efforts:

*"Wish all our Councillors were as dedicated as you are"*

*"You have succeeded in 12 months what we have been trying to achieve for the last 7 years"*

**Commitment to Peartree:**

As your Councillor I have visited and offered my support to the YMCA, the Credit Union, the new Dementia Café, The Lounge support group at Christchurch, the Zion Foodbank, Peartree School and Ludwick Nursery as well as many individuals. I have also become a Governor at Holwell Primary School, organised and funded the Free Book Initiative and helped to organise the Peartree Funday. My commitment has extended to being hands-on with litter picks and the odd bit of pruning!

**Commitment to Welwyn and Hatfield:**

I am one of the few Councillors with 100% attendance record at the meetings we are required to attend plus I have attended regular training sessions and supported other Council initiatives including ones on anti-social behaviour and various health programmes. I have supported the campaign against the Bin Tax and a pause in Universal Credit. I have also initiated my own projects including my Twiddlemuff Campaign which resulted in over a hundred muffs being distributed to Care Homes and individuals living with dementia across the Borough plus I helped organise Christmas boxes for the local Women's Refuge.

I am very keen to continue and extend this work and carry on representing you at the Borough Council. I hope you will vote for me on May 3rd.

If you have any questions about my role or how I might be able to help you then please do get in touch.

**Labour** councillors and campaigners work hard for you all year round.

Under this **Conservative** Council, you pay more for less.

---

**Whilst running the Council, the Tories have:**

- Increased your Council Tax
  - Cut front line services
  - Forced through 68% pay rises for Tory Cabinet members
  - Brought in costly, inefficient changes to waste management
- 

**You deserve better**  
**Help us call time on this**  
**Conservative Council**
