I aim to respond to each enquiry within 10 working days. Between October and December 2012 the average time was between 9 and 10 days.

Visa granted
Mr E lives in East Dulwich and works as a journalist. He contacted me because his wife is Iranian and was planning to apply for a visa to join him in the UK, but to do this she needed to travel to Turkey because of the recent closure of the British Embassy in Tehran. The couple were concerned to make sure that the application would be processed in a timely manner so that Mrs E could join her husband in time for Christmas. I wrote to the visa section on behalf of my constituent and thankfully his wife’s application took just five days to process, allowing her to travel on schedule.

School place found
Mr F lives with his family on the Aylesbury Estate and contacted me in October because his 14 year old son, who had recently arrived in the UK, did not have a school place at the time. Mr F told me that he had submitted the application forms three times but still no school place had been found. Following my letter to Southwark Council, Mr F’s son was found a place at a local secondary school and started in January.

Benefits Paid
Mr B and Mr C are a couple living in Camberwell. They contacted me because of a delay of over 4 months in processing their claims for Jobseeker’s Allowance after they both lost their jobs in 2011. I contacted the Jobcentre and they investigated this, finding that the documentation sent in by my constituents was misplaced. Thankfully they then processed the claim as a matter of urgency and paid £540 in arrears. I also helped get £110 in compensation for Mr B and Mr C because of the inconvenience this had caused them.

Pipes Repaired
Ms D lives on the Gloucester Grove Estate. She contacted me because her home had been flooded when repairs were being carried out to a blockage in her sink. The pipes were damaged during the repairs and the resulting flood ruined her carpets and meant that she was unable to use her washing machine for several months afterwards. She contacted me because there were long delays following her request for the pipes to be fixed. However once I had contacted the council the repairs were completed and a £200 compensation award was paid to my constituent.

Helping Local Residents

Student Loan Paid
Ms A lives on the Aylesbury Estate and is a full time politics student in her second year at university. She contacted me back in October because her student loan payments had been delayed despite her having filled in all the forms and sent in all the necessary documents. She was very worried about the delay, which could have meant that she was unable to return to university on time, but once I contacted the Student Loans Company Ms A’s loan was paid promptly and she got back to university on schedule.
