Treasurer's Report was tabled because Lee was absent.

Events Committee:

Joyce has been reaching out to Knabe's office. They are hoping to get the speaker on fraud from last year. We have requested some dates in October and November. Gail is checking on the ability to sponsor parking and food for the event. Henry has a call with Gail today and will connect back with the Special Events Committee.

Dates requested were: October 12th and 19th, November 9th, 16th

Talking to Rigaberto about Real Estate Fraud issue as a speaker.

After the date will is confirmed, we will start going back to Supervisors and confirming attendance. We will invite both the current supervisors and the winners, even if they are not yet seated.

Ruth McNevin: cybersecurity issues? Potential seminar.

LA County Homelessness

Millionaire's Tax for the Homeless. Henry presented the issue to the Board. The tax will have to go to the voters for approval. Legislation has to be passed in Sacramento to allow Los Angeles to assess and income tax.
