We will be having elections to fill these three open positions as follows (the date of these elections are in accordance with our By-Laws):

April 26, 2016 LCREC Meeting

Nominations and election of LCREC State Committeeman

We will not be submitting any changes to the By-Laws for approval.

May 24, 2016 LCREC Meeting

Nominations and election of Chairman of the LCREC
Nominations and election of Vice Chairperson of the LCREC

Since the officers of the Executive Committee serve for two years, after the November General Election there will be nominations and election of all officers. Therefore, the officers elected in April and May will only serve until that election.
