

# THE DESIGN TEAM

## TIBBALDS

Hilary

Tibbalds are ensuring that the design team works well together, responding to feedback from the engagement with residents and stakeholders as well as making sure the scheme is deliverable and meets the right standards.

Emily

Hilary and Emily are overseeing the Westbury Estate project. They have extensive experience in estate regeneration and some of you will have met them at the REP meetings.

## CPC

David

CPC's role on this project is as development managers. This means they will be helping make sure the project is deliverable and takes on board all of the issues and questions raised.

Ned

David and Ned are using their extensive experience in construction and regeneration in order to ensure this project delivers high quality new homes. Some of you will have met David at the recent REP meetings.

## ARCHITECTS

The project involves three architecture practices. Working in this way more closely matches the surrounding area and will create a diverse new urban environment for residents to live in.

## METROPOLITAN WORKSHOP

Tom

Metropolitan Workshop have been working with Westbury residents since 2015 and are leading on the masterplan for the new Westbury Estate.

Kristine

They will be designing the area outlined in yellow below.

## MACCREANOR LAVINGTON

Prisca

Maccreanor Lavington will be designing the area outlined in black below.

Lynn

Residents have recently visited two examples of Maccreanor Lavington's work in Elephant & Castle.

## EPR ARCHITECTS

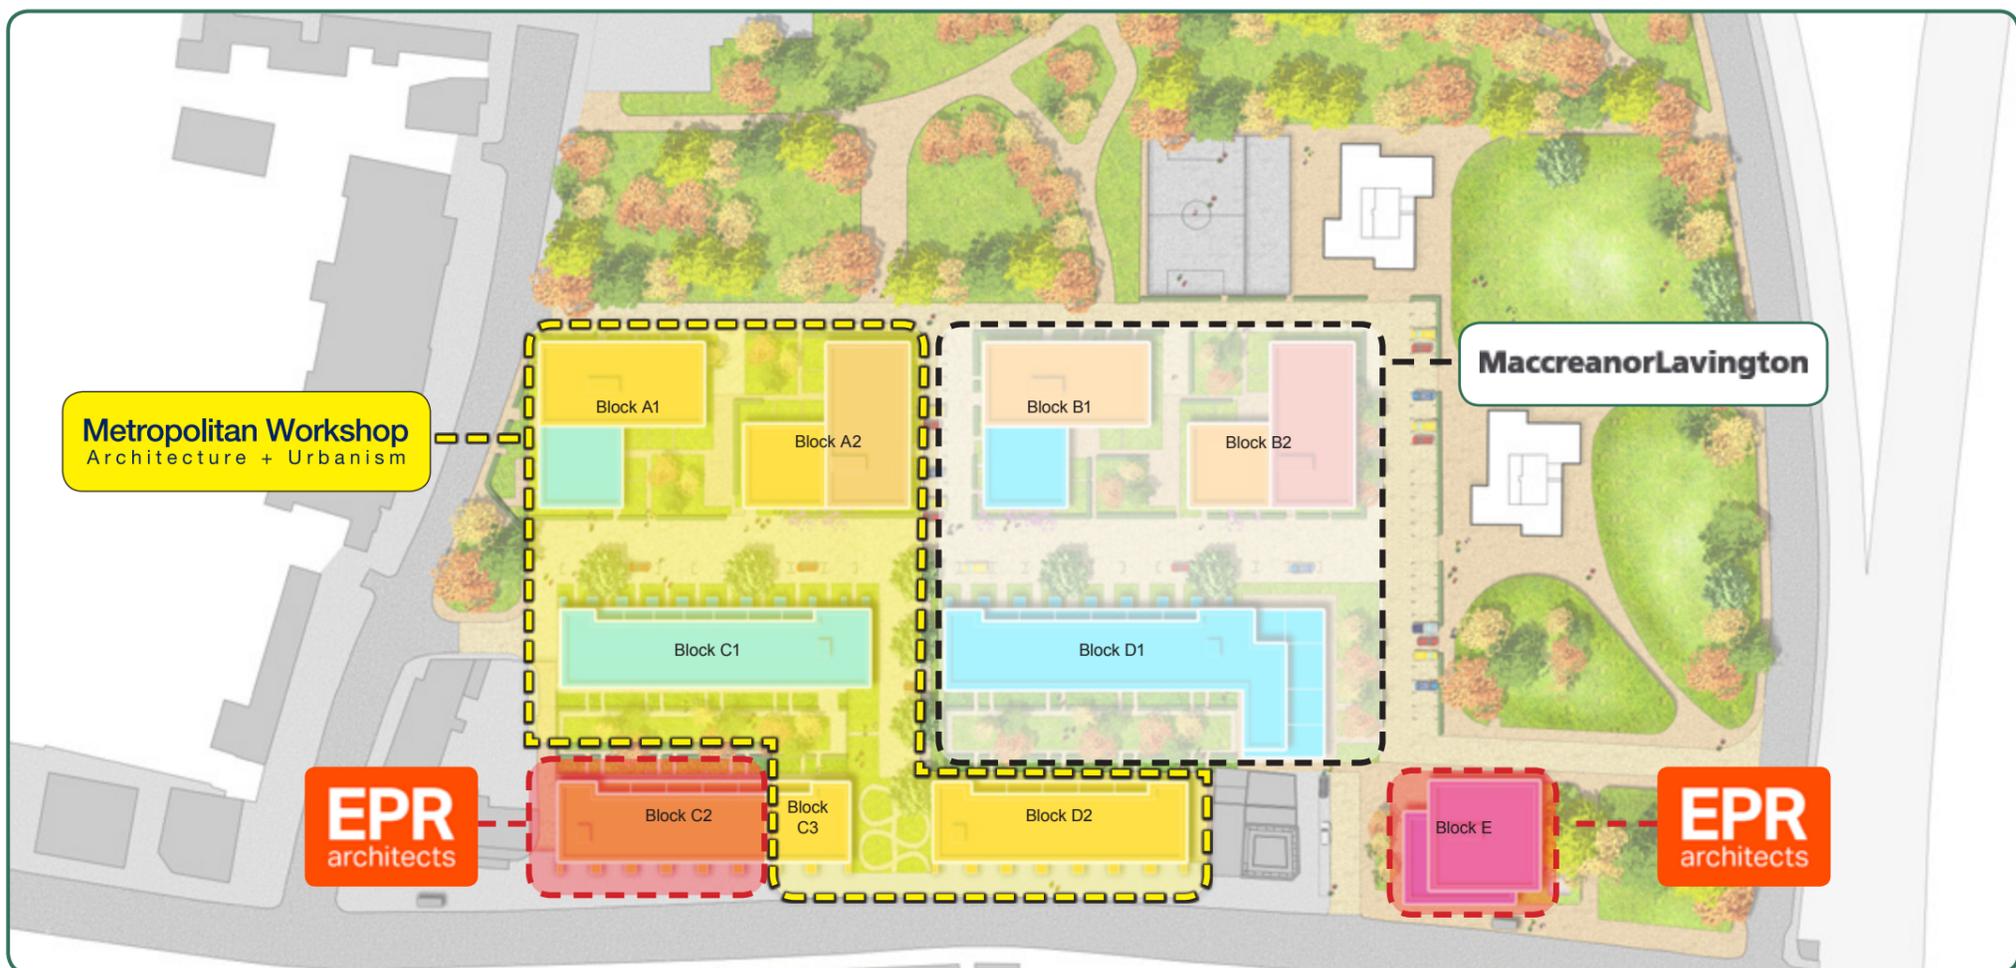

James

EPR Architects will be designing the Phase 1 buildings highlighted below in red.

Maciej

They will be working with residents, neighbours and the Development Management Team to produce high quality new homes in the area.

## MAKE:GOOD

Catherine

make:good are on board to make sure that residents from the estate and the local community are informed about, involved in and influence the design of the new homes.

Nataly

Catherine, Nataly and the make:good team produce monthly newsletters, attend resident meetings, share design information and host additional events to get to know your priorities and ensure your feedback has as much influence as possible.

## CAMLINS LANDSCAPE ARCHITECTS

Andre

Camllins Landscape Architects are working closely with residents, neighbours and the architects to develop designs for the public, private, play and communal outside spaces.

Sarah

Andre and Sarah attended the play pop up last summer and the Green Fingers day in November. They have been talking to residents about the open spaces and the potential of finding a way the memory archive to influence concepts.
