

# SOUTH LAMBETH ESTATE REGENERATION

## INTRODUCTION

Today we are presenting the updated masterplan and looking at the first phase of the development in more detail ahead of submitting the planning application.

There have been some changes from the last exhibitions in May and we would like to hear your comments and feedback.

### What is happening next?

After the exhibition the design team will be finalising the detailed design for Phase one and we will be submitting the planning application shortly.

The application that is submitted will be called a Hybrid planning application. This includes:

1. A full (detailed) planning application will be submitted for Block A on Dorset Road and works to Wimborne House.
2. An outline planning application will be submitted for the rest of the estate.

### How can you be involved?

Please make sure that you give us your feedback today, and ask any questions to the design team and Lambeth.

You can view the most up to date information about the project on the councils website:

[http://estateregeneration.lambeth.gov.uk/south\\_lambeth](http://estateregeneration.lambeth.gov.uk/south_lambeth)

Or you can call Claire on **020 7089 2138** or email [southlambeth@tibbonalds.co.uk](mailto:southlambeth@tibbonalds.co.uk)

Once the planning application is submitted and planning department have verified the application to ensure we have submitted all the correct documents and we will be given a reference number.

Once the reference number is produced we will be writing to you to inform you of the reference number, and where to go so that you can see what has been submitted and comment on the plans. This will also be updated on our website.

### Any more questions?
