

Novice Level Wildlife Carer Training

with Ebony McIntosh

September 16, 2018

9am to 4pm @ Rocherlea Memorial Hall, 41 Archer Street, Rocherlea

Learn how to rehabilitate wallabies and possums in a course that covers:

- Species physiology and behaviour
- Developmental stages and their differing needs
- Initial assessment of the new joey
- Feeding regimes and formulas
- Hygiene and housing
- Basic first aid
- Common illnesses and injuries
- Recognising stress ... and much more

Cost \$30 for novices (10% discount for TWRC members)
