**DATE:** May 9, 2014

**MAJOR CHANGES:** This revision replaces REF-5833.1, *Revision of the UC/CSU A-G Approved Course List for 2013-14*, dated June 21, 2013. The content has been revised to update information about the 2014-2015 UC/CSU A-G Approved Course List, online course submission and procedures for updating the school’s accreditation information required by the University of California Office of the President (UCOP).

**PURPOSE:** This Reference Guide delineates procedures for school personnel to revise and update the school’s University of California/California State University (UC/CSU) A-G Approved Course List for 2014-15.

**GUIDELINES:** The following information and guidelines are provided for schools serving students in grades 9 – 12.

**I. PROCEDURES FOR UPDATING COURSE LISTS**

All high schools must update the UC/CSU A-G Approved Course List for School Year (SY) 2014-15 by submitting all changes to the Educational Service Center Counseling Coordinator by Friday, May 23, 2014. Schools may do this by

- printing out a copy of their current UC/CSU A-G Approved Course List and marking the revisions directly on it OR
- completing the “UC/CSU A-G Approved Course List Revision Form” (Attachment B and Attachment C).

Please Note: Even if there are no changes in the school’s A-G Approved Course List, schools must indicate “no changes” in writing on either the A-G Course print out or Attachments B and C and submit it to the Educational Service Center Counseling Coordinator.

## LOS ANGELES UNIFIED SCHOOL DISTRICT REFERENCE GUIDE

---

The Assistant Principal, Secondary Counseling Services (APSCS) or APSCS Designee, the Administrator in charge of the Small Learning Communities and the College Counselor, are to work together to compare the “UC/CSU A-G Approved Courses Offered in LAUSD” (Attachment A) with the school’s current master schedule of courses and the planned course offerings for SY 2014-15.

Following the Master Schedule collaboration on A-G courses, the APSCS or designee will:

- Go to the University of California Office of the President (UCOP) web site <https://doorways.ucop.edu/list/> and print a copy of the school’s 2013-14 course list.
- Identify A-G courses that will be offered in 2014-15 that are not on the school’s 2013-14 course list. Either directly on the list or on Attachment B, clearly print or type the course titles, LAUSD course numbers, abbreviations, and honors designations of all courses that are to be added.
- Identify A-G courses that are on the school’s 2013-14 course list that will not be offered in 2014-15. On Attachment C, print clearly or type the course titles, District course numbers, abbreviations, and honors designations of all courses that are to be deleted. If using the A-G print out, cross out the courses that will not be offered in 2014-15.
- Removing Duplicate Courses from A-G list:
  - If schools are removing duplicated courses using Attachment C, write the duplicated course title and write duplicate next to it.
  - If schools are removing duplicated courses using the A-G print out, write duplicate next to any duplicated course title.
- Please Note: On the “UC/CSU Approved Courses Offered in LAUSD” list, in the UC Honors column, “HL” means the course is approved as honors level and will receive an augmented point. “Alternative Title” (Alt Title) means that although LAUSD schools offer an honors section of the course, the UC system does not recognize it as an honors level course. Some honors courses offered by schools are available only as a “Transcript Abbreviation” (Tran Abb) because they are not approved by UCOP as honors level courses and do not receive an augmented point. These courses will appear on the course list in the Transcript Abbreviation(s) column next to the regular course. Courses listed as “Transcript Abbreviation” cannot be added as separate courses.

## II. 2014-15 PROCEDURES FOR UPDATING ON-LINE COURSE OFFERING

Transcript abbreviation for on-line courses will be changing for 2014-15 to match the transcript abbreviation of course titles for courses taught in a traditional setting. A separate field in MISIS will identify the online publisher and modality of instruction for online learning.

# LOS ANGELES UNIFIED SCHOOL DISTRICT REFERENCE GUIDE

The following table defines the modality of instruction designation found in the online publisher field in MISIS.

Course Number	Transcript Abbreviation	Online Publisher
239101/02	ENGLISH 9AB	APXL
239201/02	ENGLISH 9AB	APX

- Courses designated as APXL, SCTL – indicate that the course is taught by an online teacher provided by APEX and/or SCOUT. The teacher serving as the facilitator does NOT need to hold a credential in the subject area.
- Courses designated as APX, EDG, and/or SCT – indicate that the course content is provided by APEX, Edgenuity, and/or SCT. The teacher MUST hold a credential in the subject area being taught.

Refer to REF-5670.2 Online Programs for Secondary Schools for more information on modality of instruction for online learning, credentialing requirements and course selection in MISIS.

The approved on-line courses for APEX, Edgenuity and SCOUT are listed at the end of Attachment A. Any on-line courses offered by the school must be noted on the list of added courses on Attachment B or listed at the end of the school’s A-G course print out. All added online courses must include the publisher’s name.

### III. 2014-15 PROCEDURES FOR INCLUDING A-G COURSES ASSOCIATED WITH PROGRAMS APPROVED BY UCOP

Programs that offer A-G courses that have received UCOP approval are listed below:

- AVID Program
- Advanced Placement (AP)
- CDE Agricultural Education
- CSU Early Assessment Program (EAP)
- California Partnerships Academies (CPA)
- Center for Advanced Research and Technology (CART)
- International Baccalaureate (IB) program
- National Academy Foundation (NAF)
- Pass Program
- Project Lead the Way (PLTW)
- University of California Curriculum Integration (UCCI) Institute
- ROP/C Organization

Some of the above programs require that teachers participate in professional

development in order for schools to include courses on their A-G list. Schools that wish to offer courses affiliated with these programs must first contact the program directly for more information. Schools must also contact the Office of Curriculum & Instruction (OCISS) for assignment of district course number and LAUSD approval.

#### IV. PROCEDURES FOR UPDATING ACCREDITATION INFORMATION

The information page of each school's UC/CSU A-G Approved Course List must be updated to include any changes in the school's demographic information. This includes the administrators or designee, contact person and WASC accreditation status.

- Review the school demographic information located at the top of the school's UC/CSU A-G Approved Course List. Write in any corrections and submit them to the Educational Service Center Counseling Coordinator along with the other revisions to the course list.
- Mail or fax a copy of letters or certificates of updated WASC Accreditation status to:

Nina Costales, Articulation Analyst  
UC Office of the President  
1111 Franklin Street, 9<sup>th</sup> Floor  
Oakland, CA 94607-52  
Fax: 510 987-9522

AND to

Office of Curriculum and Instruction  
College & Career Programs  
Fax: (213) 241-8466

Current course lists will not be available on the UC website for schools with outdated WASC information.

#### V. SCHEDULE FOR SUBMISSION OF UPDATED COURSE LISTS

When the course revisions have been completed for the 2014-15 A-G Approved Course List, send a copy of the school's revised 2013-14 course list, and/or the "UC/CSU A-G Approved Course List Revision Forms" (Attachments B and C) to the Educational Service Center Counseling Coordinator.

A schedule is provided for the submission of the 2014-15 "UC/CSU Approved Courses Offered in LAUSD." There are two **mandatory** submission deadlines.

# LOS ANGELES UNIFIED SCHOOL DISTRICT REFERENCE GUIDE

- All schools must submit the revisions to their UC/CSU A-G Approved Course List to the Educational Service Center Counseling Coordinator by May 23, 2014.
- After May 23, 2014, but no later than September 5, 2014, schools may submit additional revisions to the course lists if schools make additional changes in planned course offerings. Schools should print out their updated course list in order to check for any corrections that need to be made and submit only these final revisions to the Educational Service Center Counseling Coordinator. Use the “Additional Revisions to the UC/CSU A-G Approved Course List” form (Attachment D) for this purpose.

The Educational Service Center Counseling Coordinator will review each school’s revised list and will electronically enter the changes into the UCOP system. UCOP will not accept course lists submitted by individual schools. If schools do not meet the deadlines for submitting their revisions, their course lists for the 2014-15 school year may not be accurate and this could affect their students’ admissions to schools in the UC/CSU system.
