

# The Lincoln Podcasts

with Robert Ingraham and Michael Steger

Learn from Lincoln, how one individual, with no privilege of birth, can rise to the intellectual and moral level necessary to save the Republic in a time of great crisis. Tune in to the weekly podcast on *larouchepac.com*.

## Podcast #1 – *Reminiscences of Abraham Lincoln*

Why Lincoln and the principles he dedicated his life to are central to the fight we are waging today.

## Podcast #2 – *Free Labor and the "Right to Rise"*

Lincoln insisted that the Declaration of Independence is only realized by a commitment to human advancement.

## Podcast #3 – *Education and Self Improvement*

For Lincoln, no subject was more important than education. He was self-educated, and saw the uplifting of the citizenry key to economic progress and organized his economic policies to that end.

## Podcast #4 – *Free Speech, Free Soil, Free Men: How Lincoln built the Republican Party*

Lincoln organized the new and divided Republican Party on two principles: The Declaration of Independence, and blocking the extension of slavery into new territories and states.

## Podcast #5 – *Greenbacks and National Banking*

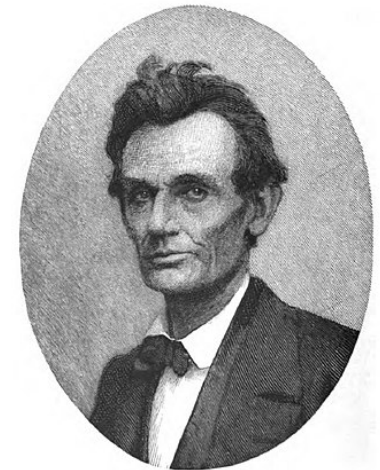

Lincoln's actions as President created an explosive growth in the productive power of the U.S. economy.

## Podcast #6 - *The American System in Action*

The science driver idea, later elaborated by Lyndon LaRouche. From railroads to scientific agriculture to education, Lincoln created the greatest physical-economic revolution in human history.
