

AFFORDABLE HOUSING AND SUSTAINABLE COMMUNITIES PROGRAM TRANSPORTATION DEBRIEF

Hosted By:
California Community Foundation, Enterprise Community Partners, LA THRIVES,
Los Angeles Regional Collaborative, LA Metro
Participating Organization: Southern California Association of Governments

June 10, 9-11am

Joan Palevsky Center for the Future of Los Angeles
California Community Foundation
281 S. Figueroa St. Suite 100

Program Goals:

1. Provide program overview, and review eligibility and scoring considerations;
 2. Identify challenges with program and possible recommendations for regulatory fixes;
 3. Begin to identify solutions for region's readiness to submit competitive projects
-

Agenda:

1. **Welcome and Overview** (Ramon Mendez, Director of Solutions, Enterprise Community Partners)
2. **Overview of AHSC Program** (Kristen Pawling, Southern California Association of Governments) *15 min*
Description: SCAG will provide an overview of the AHSC program, including program goals and regulations, scoring criteria, and initial outcomes from Round 1.
3. **Moderated Panel: Perspectives on Round 1 and where to go from here** *45 min*
Description: Panelists will comment on their experiences working on applications submitted in Round 1, and will share their ideas on how the region can build a pipeline of integrated TOD and ICP projects, meet regional transportation priorities, and offer suggestions on how the program might better serve the region and disadvantaged communities in particular.
 - **Kristen Pawling, Associate Regional Planner, SCAG - Moderator**
 - **Jacob Lieb, Sustainability Policy Manager, Metro**
 - **Steve Lefever, Community Development Director, City of South Gate**
 - **Eric Bruins, Planning and Policy Director, LA County Bicycle Coalition**
 - **Ryan Wiggins, State Cap-and-Trade Campaign Manager, TransForm**
4. **Panel Q & A and Open discussion** *45 min*
5. **Next Steps and Closing** *5 min*
