LEARN MORE ABOUT HOW THIS IMPACTED MANY OF OUR UNION SISTERS AND BROTHERS

COVID-19 ushered in three government supported income streams and temporary measures that improved access to employment insurance (EI), that helped many people who lost income as a direct result of the COVID-19 pandemic. COVID-19 continues to impact people's health, income, and social wellbeing, yet, the following government's COVID-19 related income stabilization benefits and improvements will be coming to an end at the end of October 2021:

1. Canada Recovery Benefit (CRB)
2. Canada Recovery Caregiving Benefit (CRCB)
3. Canada Recovery Sickness Benefit (CRSB)
