

# We will...

- **Rejuvenate the Town Centre**

We'll sort out the street furniture and work with landlords to fix the unsightliness of vacant shop fronts.

- **Fight for local businesses**

If our businesses succeed, our town succeeds. We will support local retail and enterprise in getting grants and allowances.

- **Fund the Town Council**

The Town Council could be much more effective if it weren't starved of cash. We will find extra funding for our town projects.

- **Hold Broxtowe to account**

It's high time Stapleford got its fair share of Borough Council money. We will make sure this happens.

- **Get the best out of HS2**

We will make sure that Stapleford gets the best deal possible from HS2 and keep the disruption to a bare minimum.

- **Oppose fracking in Broxtowe**

Lib Dems have never and will never support fracking. We will fight to keep it out of our borough.

- **Deal with YOUR local issues**

If elected as your councillors we will keep you informed, listen to your opinions, and work to solve your issues.

# Stapleford deserves its fair share!

What have your Conservative and Labour councillors been doing for four years?

We don't know either.

It's time to bring back the party that works hard for Stapleford.

Promoted by Tim Hallam, 1A Northwood Street, Stapleford, NG9 8GH on behalf of Liberal Democrat candidates in Stapleford as duly nominated 04/2019. Printed by Solopress, 9 Stock Road, Southend-on-Sea SS2 5QF

## Fed up with the Olympians?

Some parties **only turn up every four years**. That's an abuse of your vote!

If elected, we will hold **regular surgeries** where you can come and talk to us directly about local issues (you'll still be able to phone or email us at any time, of course).
