# LOCAL ENTERTAINMENT THIS SEPTEMBER

## MUSIC AND COMMUNITY FESTIVAL RETURNS

What a year it's been. Many residents agree, we all need something to raise our spirits.

We have just the event for all the family. On the 4th September 12 noon to 6pm the St Helier Music and Community Festival will take place. This will be the 14th year for the festival it is sure to be a very special one.

A full afternoon of Local talent on the stage. Lots of charity stalls raising much needed funds, selection of food stalls, children's zone, pony rides and great fun

watching the mascots race. Visit the NHS stand, London Borough Of Sutton Stand and Sutton Housing Partnership Stand.

The festival is supported and sponsored by local businesses enabling the SHMACF committee to put this event on for your enjoyment and we look forward to seeing you there.

So come along to the field next to the David Weir Centre, Middleton Road and just enjoy.

### Regeneration at Rosehill District Centre

Funding has now been agreed in principle to regenerate the District Centre at Rosehill. Good news for traders, and good news for local shoppers.

The local traders association are very enthusiastic and are looking forward to being fully involved in the build up of ideas for upgrading the area.

Local shops truly are the heart of the community.

### Calming Garden of Reflection

The Garden of Reflection will be located opposite St Helier Hospital.

Already the Garden of Reflection is taking shape, opposite St Helier Hospital.

It aims to be created, and developed, as a place of reflection and recovery for residents and hospital staff, who have experienced the stress of Covid in their lives.

Over time, this garden will grow to be a valued location for loving personal memories.
