

Stop Brexit. Build a brighter future for Croydon.

Following the announcement that there will be a General Election on 12th December, the Liberal Democrats message to Croydon voters is clear: **Vote Lib Dem to Stop Brexit and build a brighter future.**

Both the Conservatives and Labour are stuck in the past, failing time and again to build a better future. The Liberal Democrats have an ambitious plan for our country, where every person, every community and our planet can thrive.

We are working towards a positive forward-looking vision for the country, and for Croydon.

Having topped the polls in the European Elections in London earlier this year, the Lib Dems are ready to elect its first Liberal Democrat MPs in the area. Our Parliamentary Candidates are:

[Claire Bonham – Croydon North](#)

[Simon Sprague – Croydon Central](#)

[Anna Jones – Croydon South](#)

Anna, Claire and Simon are hard-working, enthusiastic and thoroughly committed to building a better future for the people of Croydon. Croydon deserves better than the two parties who have let it down for so many years.

This election is a once in a generation opportunity to reshape our politics and give hope to the millions of people who want a fairer, brighter future.

If you share our vision of a brighter future for Croydon please come and help us. Here's how:
