COUNTY COUNCIL ELECTION AND ELECTION FOR THE MAYOR OF CAMBRIDGESHIRE AND PETERBOROUGH
THURSDAY 4TH MAY 2017

Dear residents,

I am delighted to be standing to continue serving you on Cambridgeshire County Council. Over the last eight years, I have worked hard to represent local people and try and ensure the county council provides essential services as efficiently and cost-effectively as possible.

On 4th May, I hope you will also vote for Rod Cantrill who is standing for the Liberal Democrats to be the first Mayor for Cambridgeshire and Peterborough.

If there is anything you would like to discuss with me before the election, please give me a ring on 412747 **Graham**

I care about Godmanchester and have lived here for over 30 years

My wife Sarah and I have lived in Godmanchester since 1985. We are both on the Town Council as we are committed to trying to improve the town. I was particularly honoured to be Mayor in 2008.

My wife Sarah is a health visitor. Our children, Clare and Simon, were pupils at Hinchingsbrooke School.

Godmanchester is a great place to live and for many years, I have worked on several initiatives to make try and make it even better. Recently I also played a major role in stopping, or at least delaying, the proposals for a further 900 houses at Bearscroft and a road to serve the new development at Wyton across the beautiful Ouse Valley.

Graham and Sarah on their new allotment!

An active and experienced County Councillor

I'm a long serving councillor who, together with the rest of the hard working local team, listens and fights for local issues. We've:

- Distributed regular Focus leaflets to keep you informed
- Dealt with issues from our monthly surgeries outside the Huntingdon Town Hall
- Helped people get the right care and services they are entitled to
- Campaigned against inappropriate housing development
- Got potholes fixed on pavements and roads and I persuaded the county council to invest an extra £90m in road maintenance over five years
- Helped resolve parking problems and raised others with officers

CAMPAIGNING ON THE THINGS THAT MATTER TO YOU

A great team working for and with you all year round

County Council

At present the Conservatives are the largest party on the County Council and have imposed massive cuts in services in the last few years as seen by the state of our roads and other services. The county council needs to find another £101 million in savings in the next few years due in large part to the cuts in Conservative Government funding and local Tory unwillingness to face up to the challenges ahead.

In opposition, we work hard to try to find the best solutions to the many challenges faced by the County Council.

District Councillor Sarah Conboy says:

"Graham has been a great ambassador for Godmanchester on the County Council for the last 8 years and I am very pleased he is standing again. He has tremendous energy and experience and between David Underwood, Graham and myself we share experiences and contacts and, using our different specialist skills, try to help people and make a real difference to the community."

Liberal Democrat priorities for difficult times

- ✓ Help all children get a good start in life
- ✓ Support the elderly to live safely and happily, and in their own homes for as long as possible
- ✓ Keep our roads and pavements safe, well maintained, properly lit and gritted
- ✓ Invest in public transport to reduce isolation in rural areas
- ✓ Make local government more cost-effective by reducing the number of councils
- ✓ Keep council taxes as low as possible
