# Back James Walsh and the Lib Dem team to cut crime in Sussex...

Thursday's election is your chance to vote to cut crime in our part of Sussex and to ensure our local communities receive the support they deserve.

That's why more and more local people are saying they will back James Walsh to be our new local Police and Crime Commissioner.

With more than 40 years experience as a Sussex Councillor as well as having served as Chairman of the Police Authority, James is the best choice to keep our towns and villages safe.

Please give James your first preference vote at Thursday's crucial election and together we can make Sussex an even safe place to live, work and to raise a family.

*In the local police election...*

James WALSH

1st choice

2nd choice
