**STANDING UP AS A VOICE FOR EVERYONE**

# JULIET MAKHAPILA

**CHAIR REGIONAL CANDIDATES COMMITTEE**

I am an experienced Community Changemaker, Poetician, Model, Mentor, Manager, Qualified trainer, Problem solver, Social Scientist and entrepreneur.

I care about our unique and diverse community and aspire to create a strong positive impact, to the well-being of our society. We are surrounded by change that is happening globally. Our work-style and life-style are rapidly changing. Brexit negotiations, Covid-19, and the possibility of a new US President and the advancements of new technology will all impact on our livelihoods.

We need to bring the Liberal Democrats to the fore front on campaigns and a modern out look of Britain, and to raise awareness of what we stand for. We need to further engage with our communities and empower them and to have a more inclusive Britain that is fit for 21st Century. My motivation is to do exactly that; I am motivated to make that change and advance the understanding of what we, the Liberal Democrats represent.

I first became involved in politics when I was at University and I proactively engaged with local politicians in Islington. Following this, I have undertaken different roles including English Council and London Regional Diversity Champion. As the Regional Diversity Champion, a role I greatly enjoyed, I increased the number of teams and community participation in thinking how well we improve diversity and inclusion in our towns and Cities. Also the number of BAME taken for election recruitment for the first time increased within the Lib Dems.

I feel that it is important that we continue to encourage and promote diversity and inclusion from our Communities and in the Liberal Democrats so that we truly reflect and understand all our region. I am motivated to help bring that change and advance the understanding of what we the Liberal Democrats represent.
