

London Borough of Merton: Waste and street cleaning service weekly dashboard

Data related to the week commencing: 3rd September 2018

The following report is a summary of the performance of the waste and street cleaning services delivered by Veolia. It is intended to be a weekly snap shot for Members and not intended for further circulation. The information is used by the London Borough of Merton client team to manage the contract with Veolia. The report also includes some of the key activities happening this month to address performance issues.

******Please note - This weekly information is a snapshot of customer reports and inspections and may differ from Monthly performance reports and contractual Service Performance Indicators which are reported on elsewhere. The purpose of this report is to provide a more frequent 'barometer' of performance and perceptions******

Page 4: Excerpt from Monthly report for Missed collections against KPIs

Page 5: Street cleaning reports

Pages 6 & 7: Street cleansing inspections: Inspections by LBM's Performance Monitoring Officer assess for litter and detritus along a sample of streets each week. The data from these inspections provides an insight into the street cleanliness of Merton's roads over time. The scores are based on the former Defra National Indicator 195 for street cleanliness. The inspections are separate to the ones carried out by the Neighbourhood Client Team who assess for contractual compliance.

Pages 8 & 9: Actions being taken (Enforcement stats, Veolia & Merton actions, and stakeholder engagement)
