Dear Matt,

Re: Norfolk and Suffolk Foundation Trust

I attended a meeting on Friday 30th November in Sheringham in my North Norfolk constituency attended by many people who felt that they had been let down by the Norfolk and Suffolk Foundation Trust. Some who were there had lost loved ones through suicide.

I know, from our brief discussion, that you have taken a personal interest in what steps need to be taken to address the damning findings of the Care Quality Commission's report.

I think it would be very useful for you to meet with people who have themselves experienced concerns and who feel that they have been let down by the Trust. Would you agree to meet, perhaps in Norfolk, with families who have been so affected?

I look forward to hearing from you as soon as possible.

Yours sincerely,

The Rt Hon Norman Lamb MP
Member of Parliament for North Norfolk
