

Liberal Democratic Party

A BROAD-BASED POLITICAL PARTY FOR FIREARM OWNERS

www.ldp.org.au

Fed up with being treated like a criminal because you enjoy shooting or collecting firearms?

Alarmed at the erosion of your freedom by governments and bureaucracies?

Frustrated by the lack of difference between the major political parties?

Disappointed by the lacklustre performance of “single issue” parties?

Lack of respect for individual rights and responsibility is leading to excessive government intrusion into our lives (and wallets). Rather than acknowledge that there are already too many laws, governments impose even more and often use them to justify more and higher taxes. Both our rights and freedom to make our own decisions are being eroded.

Firearm owners need to make their voices heard as part of an overall response to the underlying cause. They can gain powerful allies by becoming mainstream. The burdens imposed on shooters are similar to those faced by groups such as fishers, divers, farmers, 4WDers, horse riders, loggers, smokers, motorcyclists, motorists and pet owners. All face loss of freedom based on a “we know what’s best” mentality by governments and bureaucracies.

About the LDP

The Liberal Democratic Party (LDP) (www.ldp.org.au) strongly supports civilian firearm ownership, for sport, hunting, collecting and also self-defence.

Based on liberal principles, it advocates individual liberty, free markets and small government. It is anti-left, anti-right and pro-liberty.

The aim of the LDP is to restore the right of individuals to make their own choices and accept responsibility for them, on the basis that they generally make better decisions than governments. The LDP is not part of, nor aligned with, any other party.
