**WE DEMAND A**

**PEOPLES' VOTE**

**ON THE BREXIT DEAL**

**DEMAND BETTER**

**PUT BREXIT IN THE BIN - NOT OUR COUNTRY**

## Theresa May's draft Brexit Withdrawal Agreement is uniting the country – AGAINST the deal.

Over two years on from the EU referendum, the PM's draft deal would leave our country weaker, poorer, threaten jobs, threaten young peoples' futures and give away control with no say in the EU rules we must follow. Nobody voted for this.

Leave voters will not get the Brexit they voted for - the Leave campaigns misled voters - they cheated in the referendum and have been referred to the police. We will not get the £350 million more a week for our NHS we were promised.

A no-deal Brexit would be hugely damaging. The best possible deal with the EU is the one we already have as a member.

The Prime Minister has admitted that "no Brexit at all" is a possibility.

Opinion polls show 58% of people are now in favour of a People's Vote and 54% now want to remain in the EU. We need a public vote to get us out of this mess.

The Liberal Democrats have been campaigning for this from the start. We are joined by the People's Vote and others, an increasing number of MPs and other parties and over 700,000 people who marched in London in October. You can help:

1. Display this poster prominently to show your support
2. Write to your current MP at [david.warburton.mp@parliament.uk](mailto:david.warburton.mp@parliament.uk) or by letter to David Warburton, House of Commons, London SW1A 0AA. David supported 'Leave' and has a 'meaningful vote' on the deal soon. Ask him to reject the Government's deal and demand a people's vote with an option to remain.
