Prory ward election special

Mike Henderson fights for Prory ward and Faversham

Tel - 07900 265337 Email - mikeshenderson@outlook.com

Former long serving Swale Councillor and current Faversham Town councillor Mike Henderson has been chosen to fight for Prory ward for the Liberal Democrats at the by-election caused by the resignation of the current Independent Swale councillor. **Mike has lived here in Prory ward by the Creek for over 40 years and has a well deserved reputation for working effectively for Prory ward.**

Mike says "I did try retiring two years ago but with this by-election happening I know I still have the energy and determination to work for local people again, as I have for more than 20 years. Faversham is a real community and **my simple aim is to continue to make it a better place to live for every resident.** Swale Council is now a coalition of parties working to put right many of the poor decisions of the previous Tory Council and a stronger Lib Dem group will help achieve that."

Re-electing Mike Henderson on September 30th will bring back a hard working and experienced councillor for Davington and North Preston who has proved he is totally committed to working for the benefit of local people.

Mike Henderson - Working for the whole community

Priory ward update

Working hard right now on local issues

Recycling Lorries

Your Lib Dem Town Councillors Alison Reynolds and Mike Henderson and County Councillor Antony Hook continue to press KCC to enforce East Kent Recycling to meet all the conditions of their planning permission, especially to limit the number of lorry movements to that allowed.

New Nursery to open

Both your Lib Dem Town Councillors greatly regret the closure of the Brents Tavern and would like to thank Angie and Clive Simmons for 35 years great work in making it a centre of the local community of North Preston. The good news is that it will remain a focus for the local community by becoming a nursery for local families and young children. Mike Henderson and Alison Reynolds have fully supported the planning application from Moonbeams Nursery and can now confirm that this has been approved.

Housing development- Speaking up for you

We continue to work to ensure that Anderson's Faversham Lakes development is the best for our local area. The car park which both Alison Reynolds and Mike Henderson fought for is proving a real boon. Around 50 new families have already moved in and we welcome our new neighbours. Good progress has been made. Soon we hope to see the new 80 acre Nature Park begin to take shape and the old gunpowder buildings being restored.

Join the local Lib Dems

Lib Dems work hard all year round to stand up for the people of Faversham.

You can help Mike and Alison, and the local Lib Dems by joining today for just £1 per month.

**Let's take Faversham
forward together.**

Our Green Space

Alison Reynolds and Mike Henderson are working closely with Swale Council towards improvements on the green at the top of Reedland Crescent. We have now been promised action to replace the goalposts to encourage use of the green for informal football games, plus tidying up the basketball hoops.

Fighting for safer roads

Lib Dem County Councillor Antony Hook and Mike Henderson have been pressing for three years for a safer crossing at the bottom of West Street by Stonebridge Pond. Good news. Funding has been approved and it will happen soon. Lib Dem Swale Cllr. Eddie Thomas and Mike Henderson have also been working on safety improvements in North Lane, Priory Row/Barnfield and Oare Road. More news as these come to fruition.

Lib Dems work while others just talk
