

DECEMBER 12 IS **YOUR** CHANCE TO

STOP BREXIT FOR A BRIGHTER FUTURE

Richard Morris: a strong local voice for Tonbridge and Malling

I have lived in Tonbridge and Malling for over 30 years. My priorities for our constituency are:

- End Brexit.
- Protect our global and local environment.
- Develop our local transport networks.
- Ensure our schools and universities meet our needs.
- Protect our local and national economy.
- Stand up for the rights of *all* constituents.

Having worked as a lawyer, banker, publisher and CEO I have a range of real-world skills to bring to representing Tonbridge and Malling's constituents.

I served as a trustee of Kent Opera and Kent Music, and on the board of Invicta Radio. I am on the committee of Tonbridge in Europe as well as on the National Executive of The European Movement.

After three and a half years of turmoil and stagnation we now have the opportunity to stop Brexit.

THE LIB DEMS ARE WINNING

- ✔ Support for the Lib Dems has continued to grow following their stunning success at the local and European elections in May.
- ✔ Recent polls show support for the Liberal Democrats is now at record levels and Jo Swinson is the most popular party leader.
- ✔ MPs from Labour and the Conservatives are joining the Lib Dems, fed up with the broken politics the two old parties represent.

OUR PLAN FOR BRITAIN'S FUTURE:

✔ Stop Brexit

Stop Brexit and invest the £50 billion Remain Bonus in public services and tackling inequality.

✔ Build a fairer economy

Build a fairer economy by providing free childcare from 9 months and giving every adult £10,000 to spend on skills & training throughout their lives.

✔ Tackle the climate emergency

Tackle the climate emergency by generating 80% of our electricity from renewables by 2030 and insulating all low-income homes by 2025.

✔ Transform our mental health services

Transform our mental health services by treating mental health with the same urgency as physical health.

✔ Give every child the best start in life

Give every child the best start in life by recruiting 20,000 more teachers as part of an extra £10 billion a year for schools.
