

The crucial question for people across our area:

WHO can we rely on to fight for us

Our local Lib Dem team:

OR

Conservative bosses on Torbay Council

The team we can rely on in Torbay:

- ✓ Torbay Liberal Democrats are the team that people in our community can rely on to fight our corner.
- ✓ After the Conservatives have dominated Torbay Council for 18 of the last 20 years, the Lib Dem team will bring a fresh start for the people of Torbay - bringing a new approach to local politics and giving communities across Torbay a real voice on the Council.
- ✓ We want our area to be safer, cleaner and greener. We're demanding better from Torbay Council, and are the positive team fighting for change.

- ✗ The Conservatives and the Mayor have been too busy fighting amongst themselves to listen to the concerns of our community.
- ✗ Torbay's Conservatives have failed to invest in affordable housing, whilst wasting public money on palm trees and luxury beach huts.
- ✗ Torbay's Conservatives have spent £15 million on an Amazon distribution centre near Exeter, whilst our town centres continue to decline.

Labour are in a distant third place:

Elections across Torbay are always close between the Lib Dems and the Conservatives. Labour have NO councillors on Torbay Council - they were a distant third here in the last election. The only way to beat the Conservatives in Torbay on 2nd May is to vote for the Lib Dems.

AFTER NEARLY TWO DECADES OF POWER, IT'S CLEAR THAT TORBAY'S CONSERVATIVES HAVE...

...LET US ALL DOWN

“It is the latest in a series of rifts in the council’s dominant Tory ranks”

Devon Live

The Conservatives have dominated Torbay Council for nearly two decades. During that time, they have made national headlines for all the wrong reasons.

They have wasted taxpayers’ money on pet projects like palm trees and luxury beach huts and had petty feuds amongst themselves. All the while, crucial local services such as Children’s Services have been allowed to fail. It’s simply not good enough. The Liberal Democrats are the credible community campaigners who offer a vision of a brighter future for Torbay.
