

Cllr Pete Roberts

Conference Committee

My Experience

- ❖ Over 20 years experience of running conferences within and outside the Party.
- ❖ Powys County Councillor and Chair of Scrutiny Committee.
- ❖ Experienced consultant specialising in modernising business processes.

My Priorities

- ❖ Establishing work packages led by individual committee members to reduce the demands on the central staff and chair.
- ❖ Extending opportunities for digital engagement at conference.
- ❖ Maintaining quality of venues while cutting costs.

Dear member,

Conference is the heart of our party, the place we come together and make policy and friends. It needs experienced members to deliver a cost effective and invigorating event. As a committee member with over twenty years experience I know what has failed in the past and can use that knowledge to drive forward new initiatives in the future. I hope I will continue to get your support

Pete

- ❖ Cutting the environmental impact of the Conference.
