

MRS SYLVIA JACOBS

**FARNHAM SHORTHEATH AND BOUNDSTONE WARD –
LIBDEM CANDIDATE FOR WAVERLEY COUNCIL**

South Farnham resident for nearly 40 years, with previous experience as a Borough Councillor for this ward (2003-2007). Local primary school governor for 16 years. Active campaigner and volunteer in the community, playing the piano regularly for school and church services, since retiring from career as a statistician in government service.

Single party dominance on the Council is unhealthy. The interests of Farnham residents need to be properly represented when decisions are made at Waverley, whether about planning issues or about how the resources funded by local tax payers are best used.
