Campaigning with parents to save Green Oak school

Working together with parents, we have supported Green Oak school (here in Godalming, at County Hall, and even at the Department for Education in London) and continue to work for a positive outcome for the parents, teachers, our community and most especially for the children.

The Liberal Democrats will fight senseless education cuts wherever we find them.

We believe that every child should get the best education possible and local communities need local schools, local health services, public transport and safer roads in order to prosper.

Cllrs Penny Rivers, Ollie Purkiss and Paul Follows with parents from Green Oak School
