## **Fresh voices for Hindhead on Haslemere Town Council**

# **Hindhead and Beacon Hill deserve better - you can help make it happen!!**

Most agree monopolies tend to be bad. Well, prior to these by-elections the Conservatives held 17 out of 18 places on your local Council. But now you can use your two votes on October 11<sup>th</sup> to introduce new voices and new thinking to Haslemere Town Council. Jerome and Geoff are committed to working constructively with the existing Councillors, but they will bring new ideas and effective challenge - what will yet more Conservatives contribute? After all, the last one you elected didn't bother turning up to a single meeting.

***Jerome & Geoff's priorities. Use your votes to:***

### **1. Fight for affordable housing**

We need a Town Council that will constantly make a fuss backing local affordable housing so that young people have a chance to put down roots here.

### **2. Improve our transport**

Cyclists and drivers deserve better maintenance of our local roads - we need a Town Council that will put pressure on the County to achieve this. Commuters and others need a better bus service to Haslemere station and town. Our Town Council should be fighting for this.

### **3. Encourage local retailing**

When on the Council, Jerome and Geoff will call for the setting up of a working party so the Council can do all it can to support existing local shops and encourage new ones.

#### ***STOP PRESS:***

**Not enough Tories in  
Hindhead & Beacon Hill**

It seems Conservatives are thin on the ground locally. At any rate, they have drafted in a candidate who lives in central Haslemere. Both your Lib Dem candidates are long-term Hindhead residents who are readily accessible and know the local issues. They will work hard to ensure that Hindhead and Beacon Hill get a fair crack of the whip on Haslemere Council - and they will speak with the authority of being local!

## **Jerome Davidson**

As a long-term resident, I am concerned that Hindhead and Beacon Hill often seem to be treated as poor relations by the Council. Obviously, that wasn't helped by the previous Conservative Councillor who didn't attend a single meeting. Hindhead deserves better representation which I am determined to offer, building on my strong business background and local knowledge as someone living in the ward. I would push for a better bus service for Hindhead; one that is co-ordinated with train times in the morning and doesn't end in the middle of the evening.

## **Geoff Whitby**

As your Councillor, I would be constructive. I would work with the existing Councillors for the benefit of Hindhead and Beacon Hill. I would like to contribute my strong fundraising skills, developed working with the British Legion, and my previous experience as a Haslemere Councillor. I would argue for the Council to push much harder for better road maintenance in Hindhead, treating Churt Road and Tilford Road as priorities.

**Local Surgery Pledge: As your Town Councillors, Jerome and Geoff will hold a regular monthly Councillors' Surgery. And unlike your last Conservative Councillor they will turn up for meetings to be YOUR voice!!**

## **Lib Dems bouncing back to WIN!!**

Around the country, and also locally, Liberal Democrats have been making striking gains in council by-elections. Since the 2017 general election, we have the best performance of all the parties while the Tories are in retreat.

Here in Waverley, we now have two Godalming councillors who took their seats off Tories in by-elections. Recently, we came agonisingly close in Farnham, where we lost by just 16 votes. In neighbouring East Hampshire, on 6<sup>th</sup> September, we gained Amery ward in Alton, taking 52% of the vote.
