

REGISTRATION FORM

Our regional conference this Spring is again in the urban heart of the region. After the success of Birmingham University's Staff House, the caravan rolls on to Wolverhampton and the genteel environs of Linden House on the Tettenhall Road out of the city...on a bus route (with a stop outside the front door). There are good train connections and ample on-site car-parking. The day will be action-packed speeches, debates and policy motions as usual plus training, training and more training aimed at making activists ready for the Mayoral and local elections in May.

Don't forget you can also book and pay online at www.ticketsource.co.uk/westmidslibdems
