**Motion to Allow Filing of a Reply Brief on  
The Committee's Renewed Motion to Expedite**

RECEIVED by MCOA 7/28/2020 4:55:07 PM

Mindful of the the Court's Internal Operating Procedure which requires the clerk to return any reply to an answer which is not accompanied by a motion for leave to file it,<sup>1</sup> the Committee begs leave to file the accompanying short reply, addressed to just one issue raised by the Canvassers in their Opposition to the Committee's Renewed Motion to Expedite filed today, an issue which until now the Committee has not addressed in the Court of Appeals.

Respectfully submitted,

/s/ Matthew Erard
