

LGBT+ Labour has a long and proud history of campaigning for LGBT+ rights.

From the repeal of Section 28, to the delivery of Civil Partnerships and the passing of the Equality Act, we have fought both inside the Labour party and with the Labour party to defend and extend the rights of LGBT+ people for over 40 years.

LGBT+ Labour exists to strengthen the Labour Party's commitment and action on LGBT+ struggles from the inside, and to give the UK the Labour government it deserves to ensure that this country works for the many, not the few.

Join LGBT+ Labour today and play your part in protecting the rights we have today and leading on the campaigns of tomorrow, as we strive for true LGBT+ equality.

There's Pride marches in towns and cities across the country, and last year, LGBT+ Labour was represented at over 40 prides. If you want to ensure LGBT+ Labour is represented at your local Pride then get in touch and we can help you out with materials and volunteers for the day.

Keep an eye on our social media, emails and website to find out the nearest to you and join us for the march, or on our stall.

Come to a Campaign Day

LGBT Labour organises regular campaign days for LGBT+ candidates in local and national elections. Join us for some door knocking and get to meet local LGBT+ activists as well as working towards a Labour government.

Attend an LGBT+ Labour Social

LGBT+ Labour has regional groups across the UK, running social events and political meet ups. Whether it's a Eurovision Party or a Question Time with your local MP, come and take part in our regular events.

Affiliate your CLP to LGBT+ Labour

Work with your CLP LGBT+ Officer to pass a motion to affiliate your CLP to LGBT+ Labour. If there isn't an LGBT+ Officer, think about passing a motion to implement one so you can create an active LGBT+ presence in your CLP.

Help us fundraise and buy our merchandise

We are a volunteer led organisation and all the work we do to increase the rights of LGBT+ people across the UK is only possible by the generous donations. Head over to the Labour party shop and buy our famous merchandise. All the money that we raise goes directly back into our campaigns and supporting LGBT+ candidates across the country.
